Notes:

- ^{1.} 907 KAR 3:110 Community Mental Health Center Substance Abuse Services. Section 2 Eligibility Criteria. A person shall be eligible to receive the substance abuse services covered under this administrative regulation if the individual:
 - (1) Meets Medicaid eligibility requirements established in 907 KAR 1:605;
- (2) Is a pregnant woman or a postpartum woman for a sixty (60) day period after pregnancy ends and any remaining days in the month in which the 60th day falls; and
 - (3) Meets the service placement criteria in Section 6 of this administrative regulation.

^{2.} One encounter per day. Section 7 - Limitations. (1) Except for a case in which a patient, subsequent to the first encounter, suffers an illness or injury requiring additional diagnosis or treatment, an encounter with more than one (1) health care provider and multiple encounters with

the same health care provider which take place on the same day and at a single location shall constitute a single visit.

^{3.} Each case manager shall be required to meet the following minimum requirements:
(a) Have a bachelor of arts or bachelor of science degree in any of the behavioral sciences, from an accredited institution; and (b) Have one (1) year of experience in performing case management or working with chronically mentally ill (except that a master's degree in a human services field may be substituted for the one (1) year of experience); and (c) Have completed a case management certification program (within six (6) months) offered or approved by the Department for Mental Health and Mental Retardation Services; and (d) Have supervision by a mental health professional (psychiatrist, psychologist, master's degree social worker, psychiatric nurse, or professional equivalent as determined by the cabinet) for a minimum of one (1) year.
